1969 COUGAR

Volume I

Central High School
Blountville, Tennessee

Foreword

Looking back we find
no past, or tradition,
now determines the future.

Striving to establish unity
where there was once rivalry,
there are faces old and new.

Catching rays of a rising
and promising sun,
we must create a day.

Starting again with yesterday
behind us, we face
NEW HORIZONS.

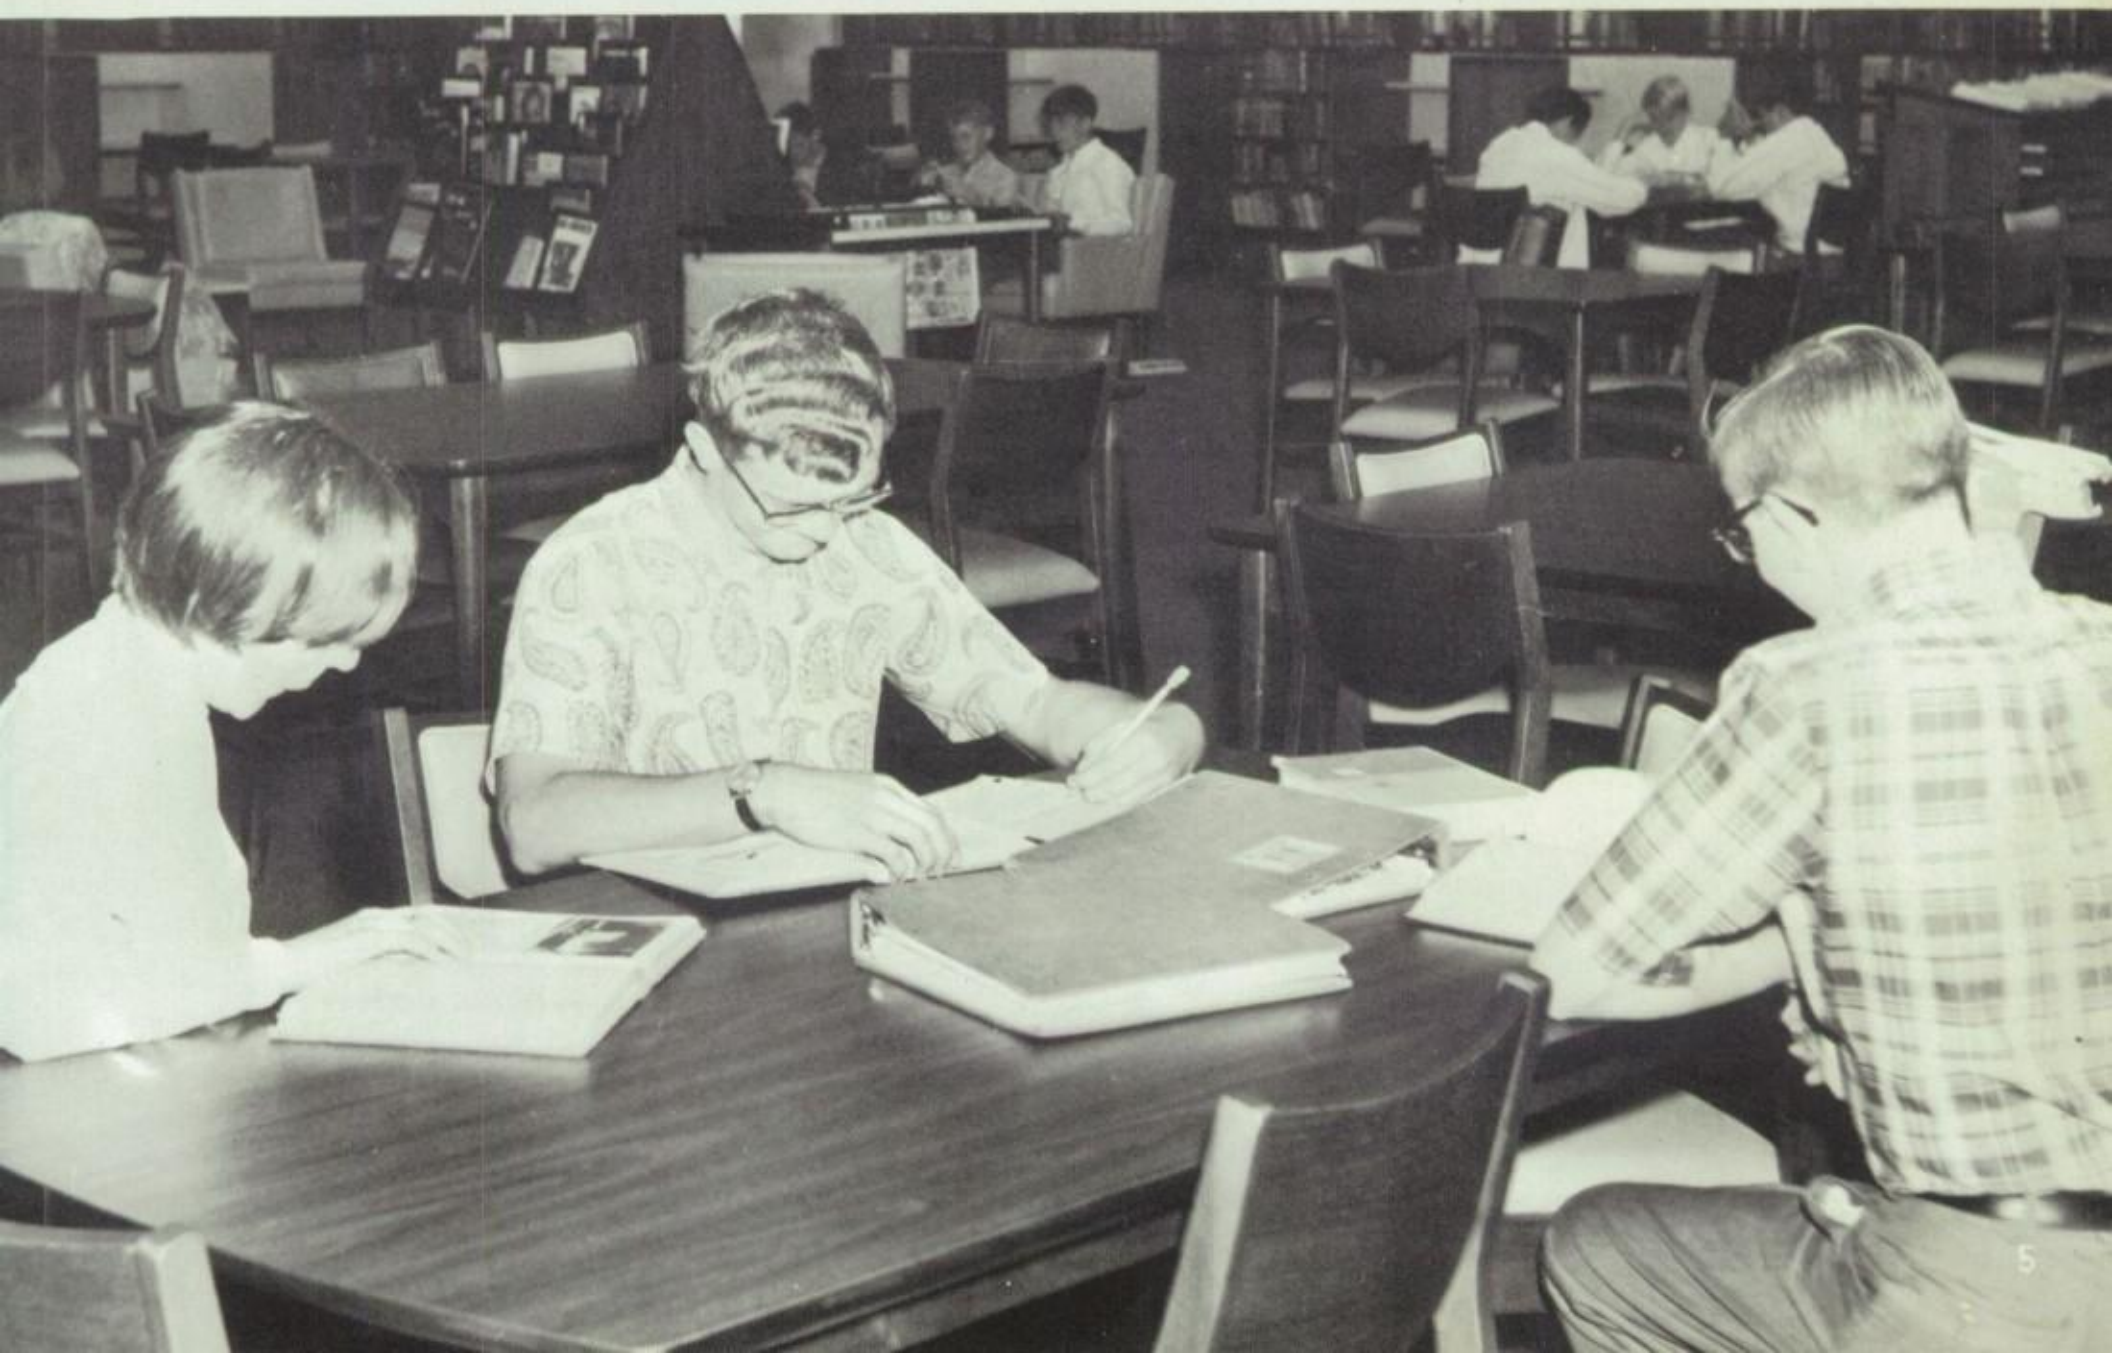
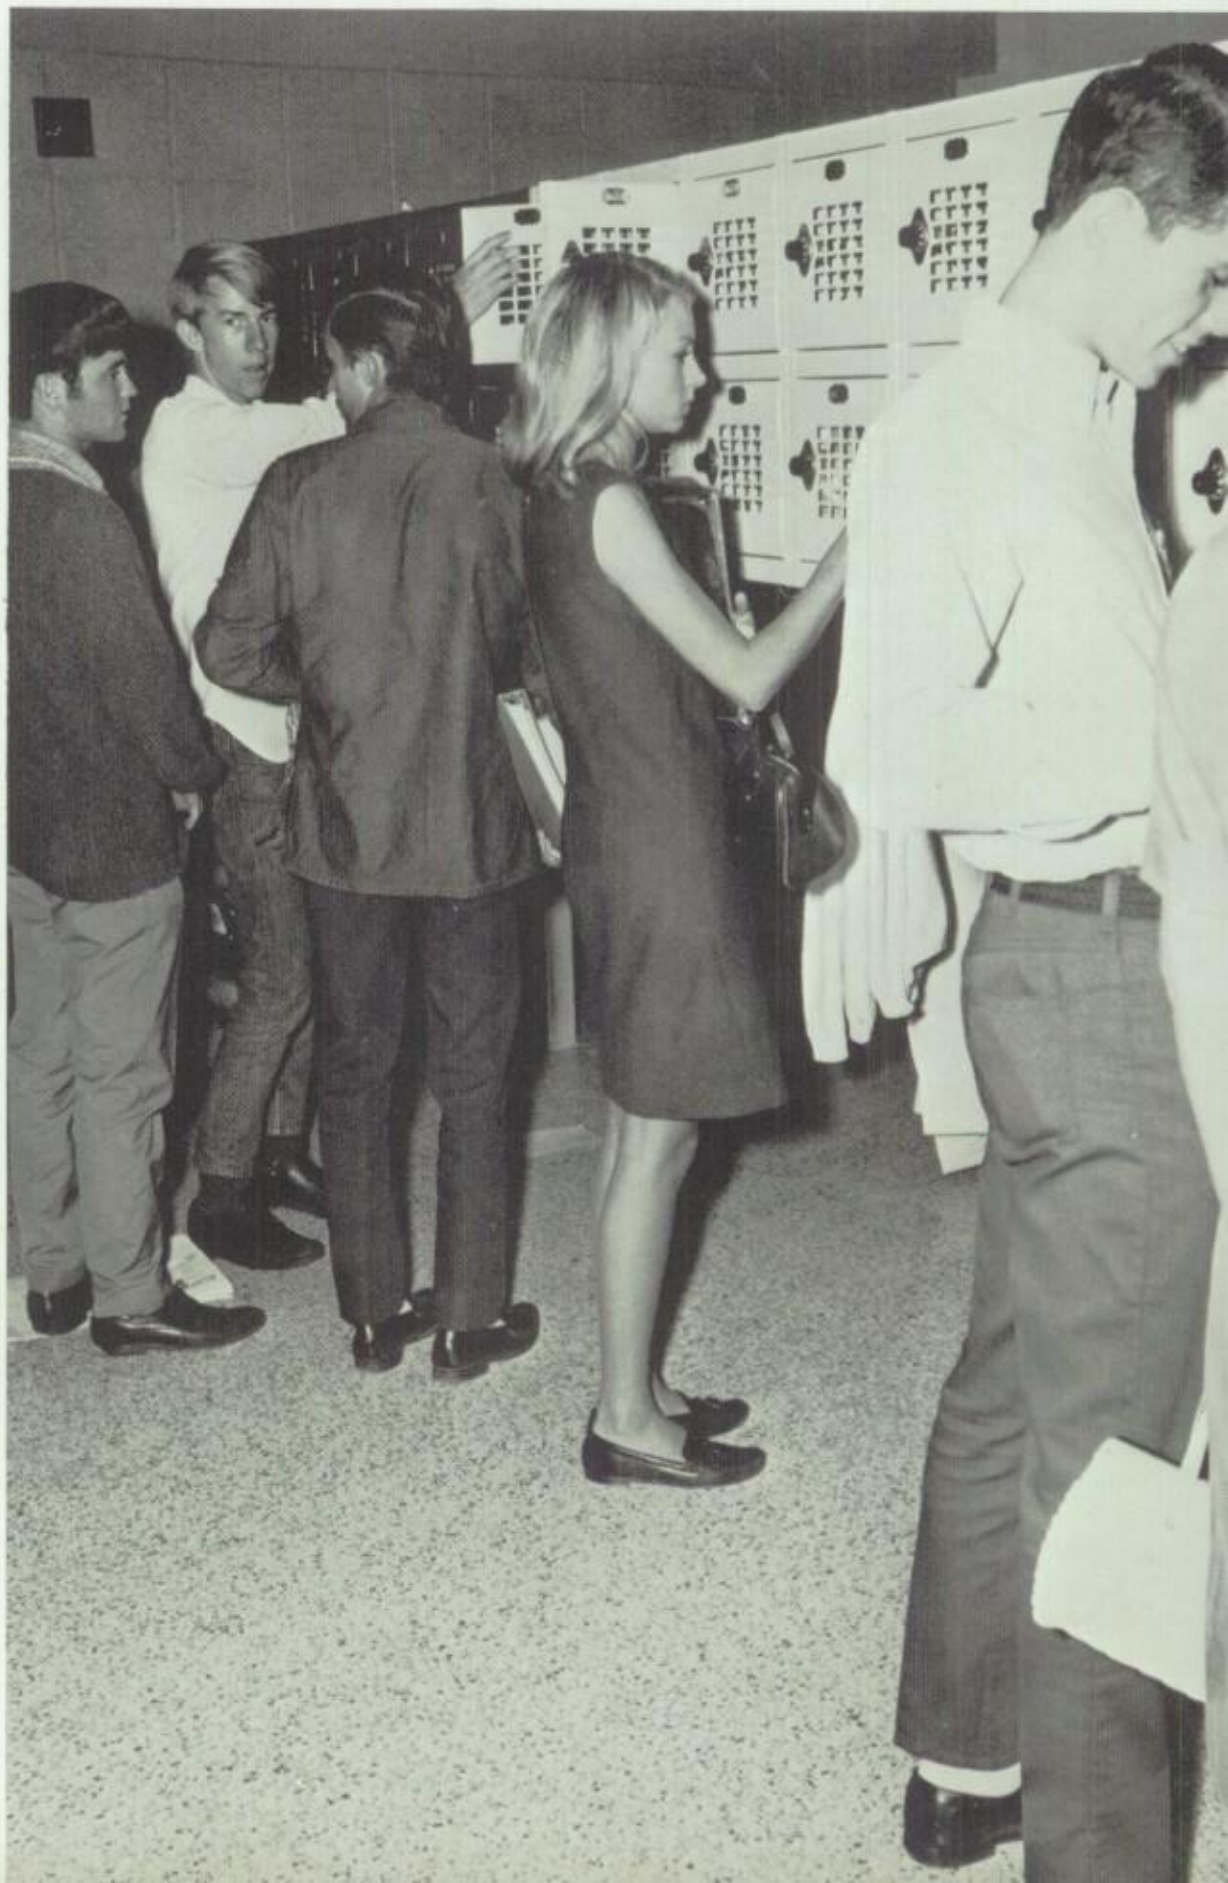
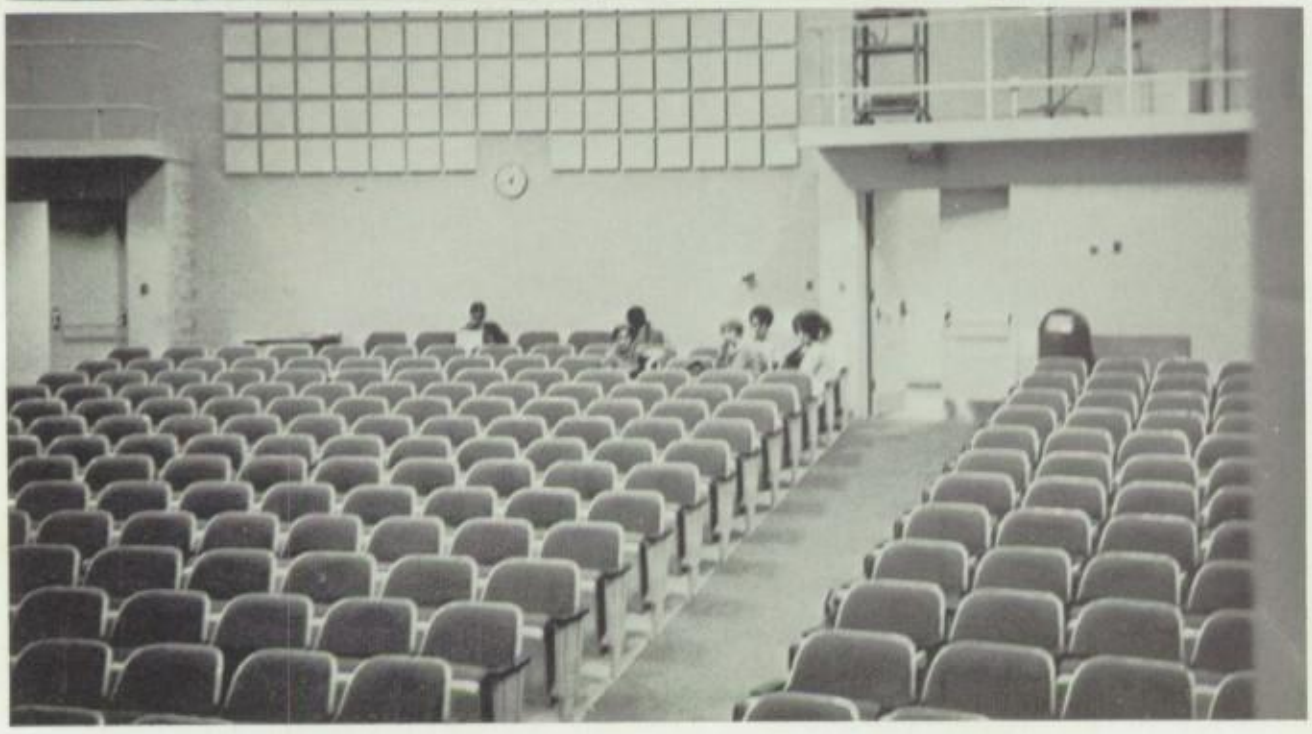
NEW HORIZONS

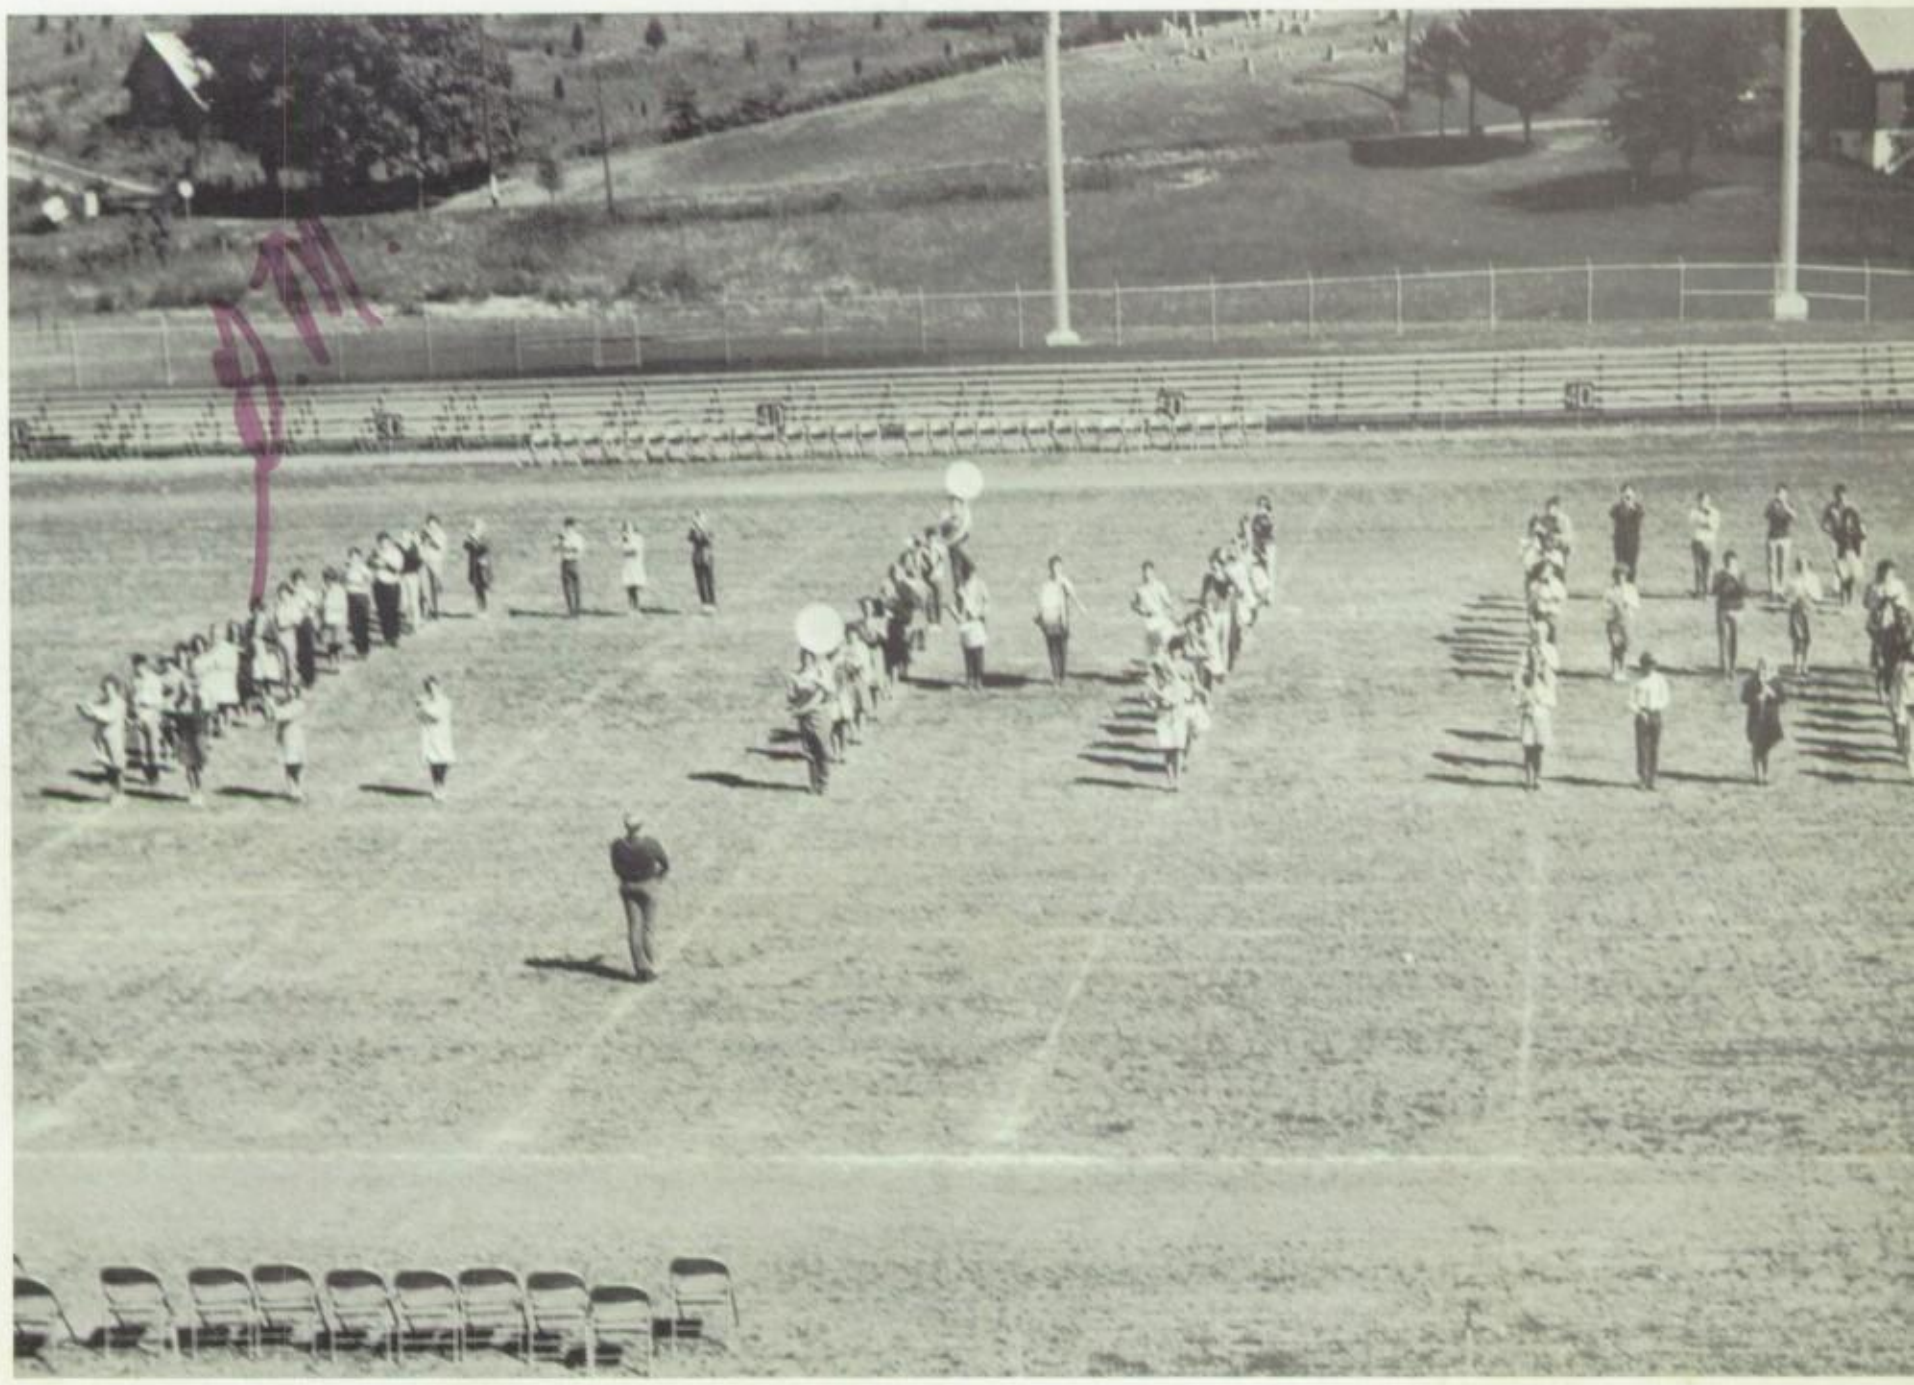




New Horizons

We, the student body of Central High, would like to express our appreciation for one of the most modern educational institutions in upper East Tennessee.





Dedication

October 13, 1968

October 13, 1968, a date to remember in the history of Central High School. Thousands were greeted by the friendly smiles of Student Council guides. Dr. Andrew Holt, President of the University of Tennessee, turned the school over to the student body, represented by Alan Cross. The dream had become a reality!

Principal's Message

Let us hope that this, the first copy of the "Cougar" is the beginning of what will become a great tradition at Central High School. Through the pictures on these pages, we will be able to relive many of the interesting and colorful events of the school year.

Congratulations to the Annual staff and sponsors on the splendid results achieved in producing this initial edition. You have truly exemplified the spirit of our school in being satisfied with only the best.

I should like to personally express my sincere appreciation to an efficient and dedicated staff and to a well-mannered, cooperative and school-spirited student body for your full share in making this a most wonderful year for all of us.

May it be only the beginning of of a long and illustrious story for Central High School.

With best wishes to each of you for a successful future, I am,

Sincerely yours,

S Blake Barnes

Central - 14

Sullivan - 0

The Pirates were caught high and dry by the Central Cougars. In an upset victory over the Sullivan Pirates the Cougars set the stage for a three way tie for first in the Upper Lakes Conference. Statistic wise the Pirates dominated the game. But the Cougar defensive unit kept Sullivan off the scoreboard while their own offensive unit put two touchdowns on the scoreboard to win the game.

Justice going for first down!

ADVERTISING

(Aerial view of Tennessee Eastman Plant)

In forty-eight years, Tennessee Eastman has grown from a small group of determined men to an industrial force of over 11,000 people. The Company's continuing growth is due, in no small measure, to the loyal and dedicated efforts of these men and women.

George Eastman once said "What we do during our working hours determines what we have; what we do in our leisure hours determines what we are." These 11,000 Eastman people and their families, joining with their neighbors in the civic, religious, governmental and recreational activities of

their leisure hours have, indeed, determined what they are—and helped make their communities what they are.

The Company is proud of the contribution Eastman people have made to the progress of their communities. By growing and prospering, Eastman makes a contribution to the economy of the area. Through wages, salaries and benefits paid, materials purchased, taxes, and transportation costs paid in Kingsport, Eastman's contribution to the area's economy has grown steadily through the years. For the year 1967, this contribution exceeded $143,000,000.*

Paid to and for the benefit of Eastman employees in Tennessee only	**$101,752,000**
Freight and express paid by Eastman in Kingsport	15,243,000
Materials and services purchased by Eastman from firms in Tennessee (including coal from Virginia and Kentucky)	28,262,000
Taxes paid by Eastman in Tennessee (exclusive of Federal taxes)	6,904,000
	$152,161,000
Less products sold to Tennessee customers	8,531,000
Trade balance to Tennessee and the Kingsport area	$143,630,000

*The figures shown here do not include wage and salary payments made to Holston Defense Corporation employees, nor the materials and services purchased by that organization. Holston Army Ammunition plant is a government installation which HDC, an Eastman organization, operates under contract. Its operation also adds materially to the economy of the area.

HOME OF "Carillonic Bells"

Our message to you .....

..... can best be summerized by an excerpt from an open letter to American students by Dwight D. Eisenhower in 1948, when he was President of Columbia University.

"To be a good American, is the most important job that will confront you. But essentially, it is nothing more than being a good member of your community, helping those who need help, striving for a sympathetic understanding of those who oppose you, doing each day's job a little better than the previous day, placing the common good before personal profit. The American Republic was born to assure you the dignity and rights of the human individual. If the dignity and rights of your fellow man guide your daily conduct of life, you will be a good American."

Congratulations and best wishes always.

Time machine

Books cut across time and space. They bring the student mind-to-mind with the thinkers, doers, dreamers of yesterday. They help him understand the people and events that make today. And they pull his imagination forward into tomorrow. That's why books are stimulating teachers. That's why they're the *basic* educational tool.

David, you are one of those fortunate people who is honored enough to be in 6th period English class. I'm sure you will always remember this class, although I hope so because what you learned not the dumb comments of Jeff, Dave, Wayne, & the rest because I have enjoyed having a few classes with you. I have seriously tried to do my best & study hard & make the very best grades. I wish you the best of luck & success in all your future endeavors.

The sun sinks beneath the horizon and the day is over. Gradually, the specks of light become stars and smile upon us. We think back to the very first day, knowing it was a good day. The day endured little pain or agony but felt the happiness of our success. The sun had shone its life-giving countenance on us, and we breathed and grew. But the sun is gone only to return again to bring another day. For some this was the last of the carefree days because time will not wait. For each second that passes can never return and all that is left are memories.

David Overbay

The First Year of

The Cougar

Daniel,
It's been nice
knowing you. You're
a great guy. Best
wishes and good
luck.
Tom

Daniel, really great
working with you.
a wonderful guy.
and I'm so glad I've been
got to know you more
geometry. I've learned
books & to care about
it. Hope I'm next to a cutie
& you end up with a great
Good luck with
guy
person
Yours.
Yours

David,

Well it's been a great year. Best of luck to a pretty good guy. Be good.

David
It has been nice knowing you this year & having 6th period English with you. Don't forget Miss Walling. Lots of luck in the future.

Mary Van

TPC TAYLOR PUBLISHING COMPANY

"The World's Best Yearbooks Are Taylor-made"

David,

The first day I saw you. When we were moving in. I knew I would like you. You're a real nice, cute, guy. And I like you alot!

Lots of Luck!

Love ya,
Vikki

David, Best Wishes and Lots of luck in the future to a real sweet & cute boy.

Love always,
Brenda Eleanor

David,
To a real
sweet and cute guy
that I enjoyed having
in History class. Hope to
get to know you a lot better
in the years to come at Central.
Love ya.
Linda Jaff

David Frazier

David,
To a real cute, sweet, and funny guy,
It's been great knowing you in health
Class. Hope to see ya again next year
Love,
Anique

David,
To a real nice boy
and good friends. Lots of
luck!
Kay

David,
It has been great
Having you this year
You have been a swell friend
See ya next year.
Love,
Karen

Lots of Luck
to a great guy,
See you next year,
